

AS A SMALL MARKET BROADCASTER IN RURAL AMERICA,  
IT IS MY BELIEF THAT THE FCC SHOULD ALLOW AM  
OPERATORS TO OWN FM TRANSLATORS AND USE THEM  
TO FILL-IN OR ENHANCE LOCAL AM SERVICE TO LOCAL  
COMMUNITIES. IT'S ALL ABOUT LOCAL RADIO STATIONS  
BEING LOCAL, LOCAL, LOCAL, AND THAT'S EXACTLY  
WHAT WILL HAPPEN IF YOU ALLOW AM OPERATORS TO  
OWN AND OPERATE FM TRANSLATORS. BEING LOCAL IS  
THE ONLY WAY A LOT OF THESE AM RADIO STATIONS  
CAN AND WILL EXIST.

RESPECTFULLY,

BOBBY CALDWELL

OWNER/CEO

EAST ARKANSAS BROADCASTERS
